April 28, 2017

Dear Parents/Guardians:

Starting Monday, May 15, 2017 we will only accept **CASH** to either be placed in the student's account or for daily student lunch purchases. In the past, we have had numerous problems with checks being returned due to the lack of funds; therefore, we will need to put this process into place until the end of the school year.

All negative balances must be paid to bring the student's lunch account to a zero or positive balance by the end of the school year. This is necessary due to a new government regulation. In addition, the student will not be able to receive their final report card until their account has been paid.

Any money in the lunch account will roll over to be used in the next school year, with exception to graduating seniors. For graduates or withdrawing students, any existing funds over \$5.00 can be returned to parents as long as a letter requesting a refund is sent to the Food Service Director by Friday, June 9, 2017.

If you are making payments on www.K12PaymentCenter.com, this letter does not pertain to you. You can continue to make payments until the end of the year.

We apologize in advance for any inconvenience this may cause.

Thank you for your attention and understanding. If you have any questions feel free to contact me at 610-767-9811.

Sincerely,

Susan Bahnick
Food Service Director
