

Use these arrows to change the month displayed.

Use these week, month and agenda tabs to display the calendar in different ways.

Use the dropdown arrow to open the list of calendars. A check mark will display the calendar and removing the check mark hides the calendar.

Use the today button to focus the calendar on today's date.

Each building's calendar is designated with a color that corresponds with the color of the event.

Use the plus button to add calendars to your own calendar as an iCal that updates automatically as events are added and it synchronizes.

The screenshot shows the Northern Lehigh District Calendar interface. On the left, there is a sidebar with various announcements and events, including "Announcements!", "Welcome Back!", "2018-2019 Star", "Competition", "2018 Special Education Plan", "2018-2019 Immunization Requirements", "PVAAS Data Available", "Per Capita Abatement Form", "Hazing Policy", and "Upcoming Events!". The main calendar area displays a grid for September 2018, with events color-coded by building. A dropdown menu on the right allows users to select which calendars to display, with checkboxes for "District Wide", "Northern Lehigh High School", "Northern Lehigh Middle School", "Peters Elementary", and "Slatington Elementary". At the bottom, there is a "Google Calendar" button and a link to "SDAthletics.org".
