

Dear Parents,

Northern Lehigh School District has implemented a bus transportation opt-out program. The opt-out program applies to families that never plan on utilizing bus service either to or from school. Knowing this information in advance will help us optimize travel time on the routes, identify appropriate bus stops, and allow for more consistent and effective service. Also, in this time of economic pressure, it may allow us to reduce the number of buses, thereby freeing up funds for education.

If you choose to have your child or children opt-out of bus transportation, please complete and return the enclosed form to the transportation department by June 1st. To reply use one of the following options-

- 1) E-mail: krau@nlsd.org
- 2) Regular mail: Northern Lehigh School District, 1201 Shadow Oaks Lane, Slatington, PA 18080
- 3) Fax: 610-767-9809

Kindly understand that this is a binding agreement. The district does need to plan effectively so please be positive you want to opt-out of bus transportation for the entire year before completing the attached form. Only in an extreme emergency will you be able to request bus transportation to be reinstated for your student for the remainder of the school year.

Thank you for considering the Northern Lehigh School District's opt-out program. If you have any questions, please contact the transportation office at 610-767-9846 or krau@nlsd.org.

Sincerely,

Greg Derr
Transportation Coordinator
