EDUCATION

- Summer Learning Academy First Year Review (Principals)
 - Mr. Schnyderite shared that initial indicators are that the majority of the students from Peters made progress. He highlighted the positive behavior side as well that motivated the students.
 - Mr. Pyne shared that attendance was strong overall for the first year. 116 students signed up and we ended with 102. The summer program coordinators will share more detailed data at the Monday night Board meeting.
 - Mr. Hauser shared that 12 of 22 students who needed to attend did attend. An additional 6 students volunteered to attend even though they were not required.

- Mr. Vlasaty shared that 47 students attended Bulldog Academy. 10 students did not make enough progress in enough time to advance to the next level. Three staff members served as Bulldog Academy Facilitators. Extensions were granted when appropriate to finish the program.
- USA Staffing Services' - LPN at Peters Elementary (Mr. Link)
 - Mr. Link described the need for an additional health room person available via a contract with an outside agency. This committee supports the recommendation going to the finance committee to consider as well.
- International Student Exchange (Mr. Link)
 - Policy #202.1 - Foreign Exchange Students
 - Most recent request was after the July 1st deadline.
 - We will consider it in future years if the deadline is met and even if pandemic conditions exist.
