MINUTES

- Cafeteria (Mrs. Fink)
 - Applying for SSO summer feeding program to be distributed at Slatington Elementary School
 - Food Services Director and Principal will review list of students who may qualify for Free or Reduced.
 - If we reach 50% Free or Reduced, we can offer summer meals for free
 - In Fall of 2022, school meals will not be free unless students qualify individually.
 - USDA had discontinued fully funding school meals for students
 - Cost of food has risen approximately 6% (and higher for some specific products)
 - A la carte meals have gone up slightly at the NLMS and NLHS, this increases revenue for the food services department
 - LeNorCo group is prepared to release grocery and dairy products and paper bids for next year.
 - We are exploring ways to decrease student lunch debt
 - We received about \$3,600 from Giant from their Round-up at the Register Program
 - There are some catering opportunities coming up for the department

- [Budget Presentation](#)

Next meeting is scheduled for Wednesday, May 4, 2022.
