## AGENDA

- Canvas as a communication tool
  - Mr. Pyne shared how Canvas can become a communication hub for the district's internal and external stakeholders.
  - We continue to explore internal features such as discussion boards for employees.
- Step Team
  - Will be on board agenda for Monday night for a first year club.
  - This club is unique as students came forward and requested that we begin a Step Team. They approached Sky March who gathered data.
  - There are currently 14 students who have been participating under the umbrella of the Library Club.
  - Goals include hosting a Stomp Show and competing.
  - The club promotes history and culture.

***Next meeting is tentatively scheduled for Monday, October 3, 2022.***
