## Minutes

- Update on Start of Fall Sports
  - Mr. Geist reviewed plans regarding the fall season and how they were implemented. Mr. Geist added that athletes, coaches, officials, parents and game staff have done everything the Northern Lehigh School District and our medical partner, St. Luke's University Health Network, have required in our resocialization plan.
  
- PIAA is allowing schools to add games after District XI playoffs not to exceed PIAA maximum games, may we add games in sports if teams are open to play?

- ❑ The committee is comfortable with adding additional games from League members and/or Lehigh Valley if they are available and do not exceed the PIAA maximum number of contests in a season.
  
- ❑ Disc Golf
  - ❑ Board members on the committee supported Mr. Gerould's offer to work with the Patriot Club to install three of the donated Disc Golf Goals plus T-pads. He will also seek support from local service clubs such as the Boy Scouts. The plan will also be presented at the Buildings and Grounds Committee meeting.

***Next meeting is tentatively scheduled for Monday, January 4, 2021, immediately following the Education/Policy Committee Meeting***
