	Exercise Science and Rehabilitation Services
	Teacher Education

**PARENT PERMISSION**

This is to certify that my child/student has my permission to participate in an approved career and technical education program under the authority of the Lehigh & Career and Technical Institute. I agree to provide lab clothing and supplies as required and understand that such items are the personal property of the student, who must be responsible for their safe-keeping. Career & Technical programs may involve operation of power machinery, electrical components, and program specific tools. Safe use of all tools and power equipment and electrical components is taught to the students. Reasonable precautions are taken to avoid accident or injury to the student or others within the instructional area. I understand that there are risks involved in providing career and technical education. I have had the opportunity to review the Essential Skills Alignment Charts for the programs my child/student selected on the application.

PARENT'S SIGNATURE: \_\_\_\_\_ DATE: \_\_\_\_\_

**STUDENT'S STATEMENT OF INTENT (REQUIRED)**

CEW 13.1.11 Career Awareness and Preparation

**PLEASE ANSWER THE FOLLOWING QUESTION:**

How will attending Lehigh Career & Technical Institute prepare you for your career goals? (5 or more sentences) You may continue your essay on separate paper if more space is needed.

**UPON COMPLETION OF PAGES 1 – 3 OF THIS APPLICATION, RETURN IT TO YOUR SENDING SCHOOL COUNSELING OFFICE**

<i>Special Programs</i>	
	<p><b>**Emerging Health Professionals (EHP) – Grade 12 Only</b>            The Emerging Health Professionals Program is a partnership of Lehigh Career &amp; Technical Institute, Lehigh Valley Health Network, Penn State University Lehigh Valley, and Lehigh Carbon Community College. This dual enrollment program combines interaction, university level classroom learning, and observation in the health care setting. In addition to completing the written LCTI Application, prerequisite courses and additional information is required for consideration for acceptance into this program.</p>
	<p><b>Diversified Career Occupations (DCO) – Grades 11 and 12 only</b>            The Diversified Career Occupations Program is offered to qualified students as an alternate method of earning credits toward graduation while gaining valuable workplace experience. The program is delivered through weekly classroom instruction at the sending district high school and work-based experience, along with completion of weekly requirements.            The LCTI application, Workplace Training Agreement and additional information is required to enroll students into the program. <b>Entry Date (Official Schedule Change Date for PIMS Reporting)</b></p>
	<p><b>Service Occupations Cluster (SOC)</b>            The Service Occupation Cluster encompasses several curricular areas designed to help the student transition from basic entry-level skill development to more advanced technical training leading directly to the workforce. The Service Occupations Cluster labs were developed for students who need a small group setting to learn and intense support with math and reading in order to master skill competencies. <u>A skills assessment must be completed prior to applying to this particular program to determine the readiness and interest of each student.</u></p>
	<p><b>Academic Center - Grades 10 through 12 only</b>            The Academic Center is a great opportunity for our students in grades 10 through 12 to attend LCTI full day. This means that academic classes and the CTE program are taken all in the same building. All academic courses are college preparatory courses which will prepare the students to be career and college ready. Class sizes are small so that personal attention is given for our students to thrive academically. <u>There is an additional application for the LCTI Academic Center required for consideration of enrolling in the Academic Center.</u></p>
<input type="checkbox"/> YES	<b>IF THE ACADEMIC CENTER BECAME AVAILABLE TO 9<sup>TH</sup> GRADE WOULD YOU BE INTERESTED IN ATTENDING?</b>
