AGENDA

Buildings & Grounds

- McClure Solar Presentation Updates by Alyssa Wingenfield and Dip Smith
 - See attached revised [Peters Elementary Presentation](#)
 - Committee directed administration to place an agenda item on the June board meeting for consideration of approval for a solar array installation at PES by McClure Co. as described in the presentation.
 - See attached revised [Main Campus Presentation](#)
 - Committee has directed administration to bring the topic back for the September committee meeting. Administration will ensure the McClure provides proposals for other ground mount locations owned by the district.
