AGENDA

Buildings & Grounds

- Transfinder Plus and Krise Transportation start up
 - Mr. Derr reports it was a successful transition for the change in transportation company and the use of the new routing software.
- Secure vestibule window installation at the NLHS and PES
 - NLSD maintenance department replaced the windows with a fixed-pane glass.
- Half door installation in the HS office
 - NLSD maintenance department installed a half door so students or guests will not have direct access to the office area without permission.
- Mrs. Husack inquired about installing temporary outfield fences for the softball and baseball fields due to the delay in permitting for permanent fences and the sale of the previous temporary fencing. Dr. Link will ask Mr. Geist to get feedback from the head coaches and Colonial League Officers.

Technology

- Technology - First week update
 - Technology department had devices prepared and ready for use for students. They were also available for any support and troubleshooting as needed. Staff laptops will be distributed next.
- E-Rate - Category 2
 - Two years remaining on current E-Rate cycle
 - Current E-Rate cycle - 2021 to 2025
 - \$269,538 Funds Available
 - Wireless Access Points Project (Installed in 2018)
 - Firewall (Installed 2018)
 - Need to submit FCC Form 470 for bidding process in the fall
 - Committee members support submitting the FCC 470 Form to begin collecting proposals for the Wireless Access Point and Firewall projects.

Next meeting is scheduled for Monday, October 2, 2023
